- Waterproof Saddle-Bag for mountain, road or touring bikes
- PVC-free reflective fabric
- Increased visibility when hit by headlights due to highly visible reflective fabric in black
- Size L provides enough space for a jacket and the necessary small items (alternative to the backpack)
- Snap lock for quick fitting and removal
- Reliable waterproof roll closure with D-rings for additional bracing and locking
- Highly effective Scotchlite reflector ensures safety in the dark
- On bikes without mudguards the bag shields the rider from splash - to a certain extent
- Snap lock is adjustable and can easily get attached to different saddles
- Saddle Bag meets all requirements of the VELOTECH test, review board for bicycle technic
- Fixing system is also available as an accessory (e.g. for a second bike)
- Velcro tape suitable for seat posts up to 34,9 mm (e.g. foldable bike Birdy)
- Fastening straps for spring-mounted saddles, where the snap lock cannot be used (optional accessory)

Contents: Saddlebag with mounting set

Note: In order to meet standard IP64 (6=dustproof, 4=protected against splash water coming from all directions) the roll closure must be rolled at least 3-4 times.
